

Boxline UCL **OUR SERVICES**

About Company

Boxline UCL UA is the only neutral logistics operator in Ukraine that provides international transportation services around the world for freight forwarding companies, exclusively in the **B2B segment**.

OUR SERVICES

- SEA transportation (LCL,FCL)
- AIR transportation (general cargo + air consolidation)
- Solutions for E-commerce
- ROAD transportation (FTL,LTL)
- Commercial and bonded WAREHOUSING (ports, airports and terminals in EU)
- CUSTOMS BROKERAGE SERVICES

The company has Italian roots and is headquartered in Milan. Boxline UCL has representative offices in such cities as Koper, Warsaw, Warsaw Airport, Gdynia, Vilnius, Budapest, Vienna, Belgrade, Prague, Bucharest, Lviv, Odesa, Kyiv, Vyshneve (Kyiv Region).

 Boxline
**FCL
SOLUTIONS**

FCL solutions

Boxline UCL provides the forwarders market with a **full package of services for the transportation of FCL:**

- Export from Ukraine/Poland to any POLs;
- Import to Poland from any seaport worldwide;
- Import from China via rail transit through Kazakhstan;
- Warehousing and Cargo Handling;
- FTL delivery across Europe and Ukraine;
- Customs clearance services.

Warehousing and Cargo Handling

Warehouses for cargo transshipment:

- Warsaw, Gdańsk, Gdynia;
- Handling of oversized cargo, including the provision of necessary loading and unloading equipment.

Boxline UCL

Port carriage

Comprehensive support and consultation:

- Assistance with port and rail inspections;
- Container scanning, veterinary control, and customs clearance;
- Cargo weighing and inspection at the port (additional service).

Export from Ukraine/Poland

Export from Ukraine/Poland to any POLs through the PODs:

- Gdansk/Gdynia in Poland;
- Chornomorsk in Ukraine;
- Koper in Slovenia (alternative route to optimize transit time).

Import to Europe via Poland

Import to Europe via Poland from any point worldwide:

By SEA:

- POLs: Gdansk/Gdynia.

By RAIL:

- From China to Miloszewicze (Poland) via rail transit through Kazakhstan, bypassing unfriendly countries.

Including:

- FTL transportation across Europe and Ukraine;
- T1 transit documents can be issued for any customs office in Europe;
- Custom brocarage support.

Customs clearance services

- Goods customs clearance for IMPORT and EXPORT.
- Electronic declaring of goods and vehicles in various customs regimes.
- Receiving necessary permissions for cargo customs clearance.
- Filling shipping documents (CMR, TIR, manifesto etc).
- Consulting services regarding foreign trade.
- Own bonded warehouse.

UTIONS

login

LCL IMPORT

Sea service for groupage cargo import:

- 5 consolidation warehouses in Poland;
- Delivery under T1 from a Polish warehouse to our bonded warehouse in Kyiv.

We arrange daily shipments of groupage cargo from our warehouse in Poland to the bonded warehouse in Ukraine (Kyiv).

Weekly departure of 14 direct own consoles from ports:

China, India, Taiwan, Korea and Singapore.

Coverage of groupage cargo service:
EUROPE - ASIA - NORTH AMERICA - SOUTH AMERICA - AFRICA - AUSTRALIA / OCEANIA.

Direct LCL IMO consoles

Boxline UCL has launched a direct LCL IMO console:

- from **TAIWAN** to GDANSK;
- from **CHINA (Shanghai, Guangzhou)** to GDANSK.

Taiwan and China are the most powerful centers of factories that produce batteries, accumulators and other electrical equipment.

From now on, you can import dangerous goods belonging to **Class 8,9 from Taiwan** and **Class 3-9 from China**.

- Schedule: **weekly service**.
- Transit time: **about 50 days (by sea)**.
- PODs: **Gdynia/Gdansk**.
- Unstuffing: **in Gdansk with delivery to Poland, Ukraine, Lithuania, Latvia, Estonia**.

LCL from CHINA to POLAND

Boxline launched regular LCL 2 departures per week from China to Poland:

POLs: **Shanghai/Ningbo/Shenzhen.**

POD: **Gdynia/Gdansk.**

Important advantage:

Boxline cooperates with different shipping lines, which makes it possible to:

- reduce t/t (different lines - different routes);
- ship special cargo more often (not all shipping lines accept cargo that contains batteries as non dangerous).

Import to Ukraine/Poland via alternative PODs

Via Romania:

- POD - **Constanta**;
- Disbanding warehouse - **Bucharest**.

Advantages:

- Savings on LTL service to Ukraine (for the southern regions due to the relatively short distance from Romania).

Via Slovenia:

- POD - **Koper**;
- Disbandment warehouse - **Koper**;
- LTL service to Ukraine via the consolidation warehouse in Budapest.

Advantages:

- Freight savings for LCL;
- Koper has many direct services from such ports as Xiamen, Singapore, New Delhi, Dalian, Bangkok, Karachi, Ho Chi Minh, Haifa and Ashdod.

LCL service from India to Europe

Boxline offers forwarders a direct LCL service from India to Europe:

POLs: **Nhava Sheva, New Delhi.**
PODs: **Gdynia/Gdansk.**

Consolidation and delivery of goods to POL - full coverage of the territory of India.

Delivery from POD - to Poland, Ukraine and the Baltic countries.

It set up on round trip, so we offer delivery of groupage cargo **in the opposite direction:**

Gdynia/Gdansk - Nhava Sheva/New Delhi.

LCL EXPORT

We organize the **EXPORT of consolidated cargo** from Ukraine and Poland with full logistics support — **from consolidation to customs clearance.**

Scheduled departures based on customer demand.

POLs for EXPORT:

KOPER / ROTTERDAM / GDANSK / GENOA.

Sea service of groupage cargo for export:

- We accept groupage **cargo from 30 kg**;
- Export **customs clearance of cargo** takes place only **at our warehouse in Kyiv (for Ukraine) and Warsaw/Gdynia (for Poland)**;
- We will **pick up cargo from anywhere** in Ukraine and Poland;
- **Delivery to the POL** in our weekly groupage trucks across the EU **is included in the offer price.**
