its own unique story...

volynskibrowar.ua

We are a modern brewery located in Berezne town, Rivne region.

Having started our brewing story from a faraway 2014,
we create drinks with cutting-edge tastes meant to intrigue and excite.

Each of them is unique, with abundance of aromas, tastes, colours and textures.

We are striving to make beer an important part of Ukrainian culture,
so that we keep creating new delicacies specially for you!

MASAI

Foggy Ipa | 0,33 L

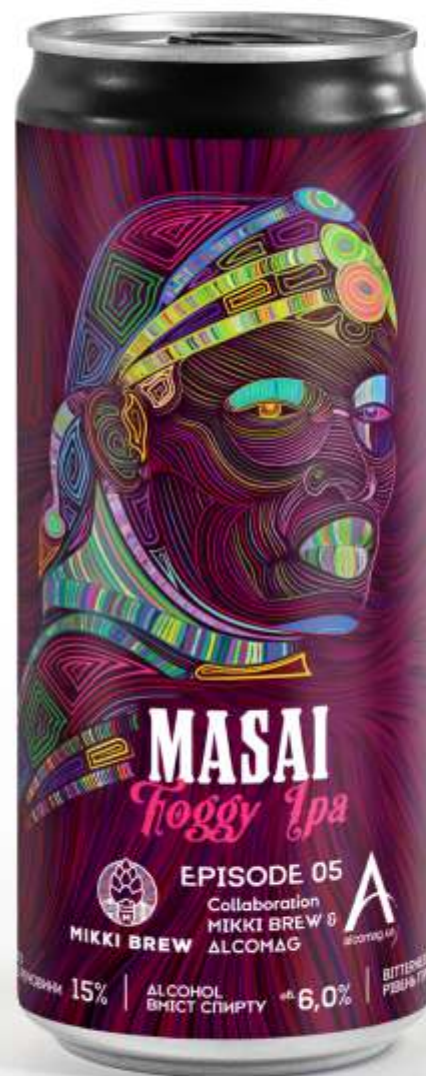

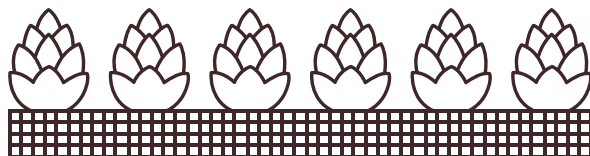

Light non-filtered beer

Really good-tasting beer is like mother's milk: it's aromatic and beneficial, thus touching the very depth of your soul. Like a morning mist, after giving you all the pleasure, it vanishes with the very first sun rays. Modern hop and malt will leave a pleasant flavour even after the last sip. Enjoy it!

SWELL

West Coast Ipa | 0,33 L

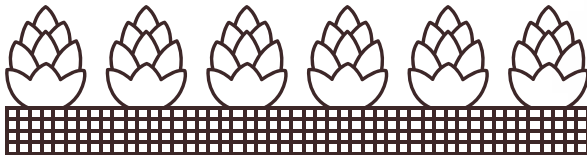

Light non-filtered beer

The craft wave is rapidly covering all cities and villages of Ukraine. It all began with small taste experiments. By combining knowledge and experience, dipping the best malt, hops, and yeast in a brewhouse, together we brewed WEST COAST IPA. Here is our common SWELL project full of tropical fruits, citrus, and sweet pine. Bon appetit!
